

Dear Commissioners of the FCC,
Please retain the remaining rules governing media ownership. I believe that further concentration of ownership will have serious consequences for our culture and democracy. We are already too limited in our ability to access diverse opinions and information through the media.

Furthermore, as an independent writer and creator of material for various media outlets, I am concerned that the reduction in competition that deregulating our mass media would cause will have a negative impact on the means by which I earn my living.

Yours truly,
Candace LaRue
